### GET READY TO WELCOME THE WORLD'S TALLEST WELLNESS RESORT IN DUBAI

Therme Dubai is a ground-breaking resort concept combining luxury, relaxation, and sustainability, set to elevate Dubai's wellness and leisure offerings, remarkably. Perched at Zabeel Park, this awe-inspiring AED 2 billion project will be the tallest and most innovative wellness resort in the world. Rising 100 meters tall and spanning an expansive 500,000 square feet, the luxurious resort will feature three main areas called 'Restore', Relax and Play. 'Restore' will focus on rejuvenation, providing guests with a thermal complex complete with saunas, steam rooms, and mineral treatment baths, while 'Relax' will be exclusively for adults, featuring indoor and outdoor relaxation pools, mineral pools, steam rooms, and natural treatments. 'Play' will be a family-friendly space blending fun, entertainment, and health-related activities for adults and kids. The stunning development will be home to several 'islands in the sky', each a platform for thermal pools, decks, and indoor and outdoor vegetation overlooking the stellar city skyline. Moreover, the wellness haven will feature a massive interactive park with 15 water slides and experiential art installations, the world's largest indoor botanical garden, and three 18-metre waterfalls. This exceptional creation embodies Dubai's stunning vision for integrated sustainability and strengthens the city's image as an iconic destination that provides the ultimate blend of wellness, innovation, and luxury to residents and tourists from all over the world.
