TRAVERSE ACROSS FASCINATING REALMS AT BEYOND DOME DUBAI

Beyond Dome is the city's first dedicated 360° immersive dome tucked away at Dubai Festival City Mall. Housed within a 20-metre-wide dome, the attraction surrounds visitors with panoramic visuals and spatial sound, creating an experience that goes beyond a conventional cinema or digital display. Each 25-minute immersive journey transports audiences into an entirely different world, with experiences ranging from an exploration of the Solar System to a prehistoric adventure among dinosaurs. For those seeking more, the Space Explorer combines three cosmic journeys including the Solar System, Nebula, and SpaceTime into a single 45-minute experience that is truly out of this world. Designed for explorers and those with a passion for science, Beyond Dome offers an engaging blend of entertainment, technology, and storytelling, adding yet another brilliant indoor attraction to Dubai's ever-growing portfolio of immersive experiences.

INDULGE IN LUXURY LIVING AT ROYAL ROSE HOTEL ABU DHABI

Located in the heart of the capital, Royal Rose Hotel, a Curio Collection by Hilton property, showcases captivating grandeur with its striking 17th-century Parisian palace-inspired architecture, ornate chandeliers, and intricate gold detailing. The five-star property features 355 elegantly appointed rooms and suites, ranging from spacious guest rooms to luxurious suites with mesmerising city views. Guests can enjoy European and International flavours across three dedicated F&B outlets, while the rooftop, temperature-controlled pool offers a refreshing spot to unwind above the city. Guests can also choose to relax at Alba Spa, stay active at the well-equipped fitness centre, or host unforgettable occasions at the hotel's versatile meeting and event spaces. The property places guests within easy reach of Abu Dhabi's popular attractions, shopping destinations, the Corniche, and cultural landmarks, with Saadiyat Island and its growing collection of world-class museums conveniently accessible. Blending vintage elegance with contemporary comfort and a central city location, Royal Rose Abu Dhabi offers a distinctive stay for travelers seeking a touch of regal charm in the capital.

WITNESS THE RHYTHM TAKE OVER THE SANDS AT SUNBURN ABU DHABI

Abu Dhabi is geared to host Asia's leading electronic dance music festival this December, bringing Sunburn's signature combination of world class electronic music, immersive production, spectacular visuals, and high energy performances to the region for the first time. Renowned for featuring some of the biggest names in electronic music, including Martin Garrix, David Guetta, DJ Snake, Swedish House Mafia, Armin van Buuren, Marshmello, Alan Walker, and The Chainsmokers, Sunburn is now set to bring its legendary energy to the emirate, backed by a collaboration between BookMyShow and Ethara. The festival's expansion into Abu Dhabi marks a significant cultural milestone, introducing a twin flagship event with editions taking place simultaneously in India and the UAE, a first in festival history. Set against an iconic desert backdrop, the Abu Dhabi edition will combine cutting edge production with a stellar international artist lineup and the unmistakable Sunburn atmosphere, bringing music lovers from across the region and beyond together while further strengthening the capital's reputation as a global hub for major entertainment events.

ESCAPE TO A NEW LUXURY RETREAT AT ROTANA RAS AL KHAIMAH - THE MANGROVES

Set along Al Qawasim Corniche and overlooking the serene mangroves of Ras Al Khaimah, Rotana Ras Al Khaimah – The Mangroves is an upcoming luxury waterfront hotel offering panoramic views of the Arabian Gulf and Hajar Mountains. Scheduled to open in the third quarter of 2026, the 258-key property will feature stylish rooms and suites overlooking the surrounding natural landscape, the Gulf, and the mountains. Five distinctive dining venues will offer guests a memorable culinary journey complimenting tranquil surroundings, while exceptional event spaces, including the emirate's largest ballroom with natural daylight will provide the perfect venue for conferences, weddings and celebrations. The waterfront retreat will pamper guests with a diverse array of leisure facilities such as swimming pools for adults and children, a gym, spa and wellness facilities, tennis and squash courts, beach volleyball, and water sports. Families will also have access to an indoor kids' club and outdoor play area. Nestled within the natural setting of the mangroves while remaining close to the emirate's attractions, Rotana Ras Al Khaimah – The Mangroves is poised to add a distinctive new dimension to the the emirate's portfolio of leisure and events offering.
