BE IMMERSSED IN A CULTURAL EXTRAVAGANZA AT SHEIKH ZAYED FESTIVAL IN ABU DHABI

The Sheikh Zayed Festival at Al Wathba in Abu Dhabi is more than just an event – it’s a celebration of heritage, innovation, and unity. Running until 28th February 2025, this is one of the region’s largest and most spectacular cultural festivals featuring live cultural performances, world-class fireworks, interactive exhibits, and an array of international cuisines to savor. Highlights include the Heritage Village, Water Laser Shows, Guinness World Record-breaking displays, and a dedicated Spirit of the Union zone. Moreover, the festival guarantees entertainment for all ages, from live entertainment and kids’ zones to camel and horse shows, as well as fascinating shopping opportunities. Well-equipped with modern facilities, this is one of the most exciting cultural festivals in the capital for family-friendly fun and cultural discovery, not to be missed.

GET READY TO EMBRACE THE FUTURE OF TRAVEL WITH FLYING TAXIS IN THE UAE

The UAE is set to revolutionize urban transportation with the upcoming launch of flying taxis. Designed for short-range trips, these futuristic electric vertical take-off and landing (eVTOL) vehicles will significantly reduce travel time, operate with zero emissions, and offer an exhilarating new way to navigate the city. Each flying taxi will accommodate up to four passengers and feature cutting-edge safety systems to ensure a seamless and secure journey. The first flying taxis are expected to arrive in Dubai by 2025, with operations commencing from four designated vertiports strategically located at Dubai International Airport, Downtown Dubai, Dubai Marina, and Palm Jumeirah. Once launched, Dubai will become the first city in the world to establish inner-city air transport, further enhancing its reputation for ground-breaking, world-class innovations, and securing its position as a leading tourist destination.
